Our Philosophy

Nassau Christian Schools defines philosophy as a set of beliefs, reflectively arrived at, about education. Therefore, the very essence of our educational philosophy is that all the education be GOD-CENTERED.

As such, education in its fullest sense cannot be divorced from the consideration of GOD as the ULTIMATE AUTHOR of ALL TRUTH.

We believe that the content of Christian Education must be in harmony with “WHATSOEVER THINGS ARE TRUE, ... HONEST, ... JUST, ...PURE [AND] LOVELY” . (Phil. 4-8) It is our belief that classroom methods should be teacher directed with the students obtaining knowledge through diligent study, research, reasoning, and application.

Christian Education must not only deal with academics, but also with social and spiritual needs of the student.

The objective of Nassau Christian Schools is that each student be brought to 'UNITY OF THE FAITH, AND THE KNOWLEDGE OF THE SON OF GOD, UNTO A PERFECT MAN, UNTO THE MEASURE OF THE STATURE OF THE FULNESS OF CHRIST" . (EPH. 4-13)

It is our desire and goal that the graduates of Nassau Christian Schools be effective ambassadors for CHRIST, academically equipped with the MANIFEST OF THE FRUITH OF THE SPIRIT AS THEY JOURNEY THROUGH LIFE.
